WRIT PETITION No. 10162 of 2007

O R D E R:

Heard the learned Counsel for the petitioner and the learned Standing Counsel for the respondent. With their consent, the Writ Petition is being disposed of at the stage of admission.

The writ petitioner has been placed under suspension pending enquiry *vide* order No.01/114(3)/2007.TN, dated 02-05-2007 passed by the first respondent-Depot Manager of the A.P.S.R.T.C. Depot, Tuni.

The principal allegation against the writ petitioner is that he had needlessly barged into a room, where an enquiry was being conducted against his colleague, with which, he has no concern and created nuisance over there.

Where some injustice is perceived, tempers are bound to run high, particularly, at industrial soft floors. That apart, flexibility and pragmatism has also got to be displayed and shown by the employer. At the same time, no dent can ever be caused to the discipline of the organisation. Keeping all these factors in account and mind, the respondents-corporation may review the entire matter within the next two months and take a decision as to whether the writ petitioner deserves to be continued under suspension for a period beyond two months at all or not.

With this observation, the Writ Petition stands disposed of. No order as to costs.
